

# CARBONATE FORUM 2026

Tuesday 12th and Wednesday 13th May 2026

Connecting the Next Generation of Carbonate Scientists

Join the Carbonate Forum 2026, bringing together the **global carbonate community** through the **presentation** of researchers from **18 institutions** from **15 countries**.

- Contributions from **graduate students** and **early-career scientists**.
- Space to **connect**, exchange **ideas** and **highlight** the **next generation of carbonate scientists**.
- In-person global activities in **Bolivia** and **Pakistan**:
